Dear Harri,

we write you to confirm the listen of our radio!!

We are very happy you listened Radio Centrale so far.
This is the second time we receive letters from Finland: the first
arrived a few days ago and was about a listen made on 30.7.82 in
Riihimäki.

Now we want to give you some technical specifications
about our radio. We work with 3 transmitters which cover 100 Km.
around.

1° 600 W. 98.150 Mhz. - 2° 600 W. 98.150 Mhz. - 3° 2000 W. 92.500 Mhz.
completely transistorized, and we use 4 or 8 dipole system antennas
large wide. This transmitters are in different places and are excited
by a transmission system on 490 Mhz. about stereo.

15 young persons 20-30 years old about work in Radio Cen
trale.

We thank you very much and hope to receive other letters
from you.

Greetings from Radio Centrale to Harri!!

P.S. - We send you a depliant about our broadcast system.
We would like your telephone number to contact you for a
radio special program.
